## Youth Who Always Wear Seatbelts and Never Drink and Drive

---

Source: Harrisonburg/Rockingham County Youth Survey

### What the numbers and other information told us:

Of the youth who reported to never drink and drive, only 40% of them are legally old enough to drive a car.

Of the youth who are legally old enough to drive, 83% reported to never drink and drive.

3.1% of youth 'never' or 'rarely' wear a seatbelt and drink and drive at least once a month.

10% of youth ages 13-19 report drinking and driving at least once a month.
